RESUME SUMMARY (as of Jan 2020)

OBJECTIVE

Visionary and innovative technologist seeking challenging executive position in the high-tech industry to make the most of my leadership skills, technical background, customer focus, creativity, passion, and industry experience

CAREER HIGHLIGHTS

- 25 years of industry experience in the areas of cloud computing, software development, and cyber security
 - Experience leading large technical teams of up to several hundred people, focusing on talent development, attracting top talent, championing diversity and inclusion, and sustaining hypergrowth of business and teams
 - As *Sr Director of Customer Engineering for Google Cloud*, leading the technical pre-sales teams in EMEA (Europe, Middle East, and Africa), driving organizational evolution in a fast-paced and dynamic environment
 - 2.5 years at Palo Alto Networks, the leader in enterprise cyber security, as *Vice President of Systems Engineering and CTO in EMEA*, focusing on growth, cloud adoption, and business transformation
 - 10 years at *Amazon Web Services (AWS)* with deep expertise in public cloud computing
 - *Head of Solutions Architecture and Business Development for AWS in EMEA*, expanding into key markets, building and leading elite teams, focusing on customers and innovation, CxO level influence, business and technology transformation, cloud solutions and economics, corporate innovation and the startup ecosystem
 - Public speaker at numerous industry events; spokesperson for analysts and press/media
 - Contributor to various publications and technical whitepapers about cloud architecture and technology
 - Key contributor on the early engineering/service team creating the *Amazon Elastic Compute Cloud (EC2)*
 - 2 years at Amazon.com leading *Personalization* and *Search Engine Optimization (SEO)* initiatives/teams
 - 6+ years at Microsoft as developer/lead/architect; during this time, part of *Bill Gate's Executive Strategy Team*
 - Inventor of 34 patents in the areas of cloud computing, web technologies, and digital rights management
-
